Examiner's Amendment

Authorization for this examiner's amendment was given in separate telephone interviews with Michael J. McCarthy on December 7, 2004 and January 7, 2005.

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Amendment to the Title:

Delete the present title "Ligand Capture-Directed Selection of an Antibody" and replace it with "Antibody for Ligand Capture Assay."

Amendment to the Specification:

Amend the first paragraph of page 1 of the specification with the following underlined additions:

This application is a divisional of U.S. application serial no. 08/972,564, filed November 18, 1997, now U.S. Patent No. 6,376,170, which is a continuation of U.S. application serial no. 08/316,914, filed October 3, 1994, now abandoned, the disclosure of which is considered part of (and is incorporated by reference in) the disclosure of this application.

Amendments to the Claims:

Cancel claim 18.

Examiner's Comment

The substance of the Telephonic Interview of December 7, 2004 was as follows: Mr. McCarthy informed the Examiner that the Notice of Abandonment mailed August 23, 2004 was in error because an After-Final Amendment, placing the application in condition for allowance, was mailed February 10, 2004. The Examiner noted that the Office failed to process this amendment. It was agreed that the After-Final Amendment placed the application in *prima facie* condition for allowance, but that there was an issue concerning whether claim 18 satisfied the enablement requirements of 35 U.S.C. 112, first paragraph. Mr. McCarthy authorized the Examiner to cancel claim 18 in order to overcome this issue and expedite prosecution.

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Timothy M. Brown whose telephone number is (571) 272-0773. The examiner can normally be reached on Monday - Friday, 8am - 5pm.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, James Housel can be reached on (571) 272-0902. The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.
